**What we learned today in  
Kid's Connection**

**The Crucifixion  
&  
The Criminals**

**Christ Connection:**  
The criminal, priest and people mocked Jesus. They yelled at Him as He hung on the cross, telling Him to save Himself and come down from the cross to prove He was the Son of God. If Jesus had listened to them, no one would be saved. By dying on the cross, Jesus made it possible for everyone, even the mockers to be saved.

**Main Point:**  
Jesus forgave the criminal who believed in Him.

**Family Discussion Starters:**

- \*How many criminals were crucified with Jesus?
- \*What did each say to Jesus?
- \*What did Jesus tell the criminal who asked for forgiveness?
- \*What does Jesus do when we ask for forgiveness?

**Family Activity:**  
Have your child cut out a cross from paper. Ask them to draw a picture or write down something down that they need forgiveness for. Remind them about the criminal that ask Jesus to forgive him. It was nothing he did for Jesus, it was just believing in Jesus that gave him forgiveness. Pray together as a family and have your child ask God to forgive them for what they put on their cross.
