What we learned this morning in  
**Kid's Connection**

**A New Creation**

**Christ Connection:**  
Through Christ's work on the Cross, we have been reconciled to God. We call this the gospel. This message applied to our lives transforms us that we become new creations in Christ.

**Main Point:**  
We are new creations in Christ.

**Family Discussion Starters:**

- \*Did everyone Paul told about Jesus believe?
- \*What did Titus tell Paul that made Paul happy?
- \*What happens to us when we trust in Jesus?
- \*Who changes our hearts?
- \*Who do you know that God has made a "new creation"?

**Family Activity:**  
Go outside and look for butterflies. Talk about how caterpillars change into a beautiful butterfly. Relate this to what God does for us. We are all born sinners but because of Jesus dying on the cross, we can become a new person.
