

Preschool Parents:

We are excited to welcome you back soon to our Sunday morning gatherings. Your child's safety is always our primary concern. While we are in Phase One of our re-opening, there are some additional policies and procedures implemented to ensure that your child is as safe and healthy as possible while in our care at church.

These policies are as follows:

- **One parent drops off and the same parent picks up. No siblings on the preschool hall if possible.**
- **The drop off window for each gathering will end 20 minutes after each gathering starts.**
- **At check-in, your child's temperature will be checked and questions will be asked about the health of your child and family.**
- **Diaper bags will be left in the hallway outside the classroom door– one diaper and sippy cup/bottle/snack will be handed to the classroom leader.**
- **Snacks will be served only upon direction of parents and only those brought from home.**
- **If your child is potty-training, please take them to the restroom before drop-off.**
- **For those in diapers, please drop-off your child in a clean diaper.**
- **Preschool leaders and check-in helpers will wear fun, child-friendly masks. We encourage you to let your child see you wearing a mask a few times before dropping off at church.**

If you have any questions, let us know!

We are excited to see you and your precious littles again soon!

Ann
