

What we learned this morning in

## Kid's Connection

# Putting Off the Old Self

### Main Point:

Christians should imitate Christ in all they do.

### Christ Connection:

Christ willingly gave up His life. The men who crucified Jesus did not force death upon Him. Instead, He willingly died that we might be saved. Because of this, we are to put off our old selves and live holy lives. We are to follow Christ's obedience, not striking out on our own path.

### Family Discussion Starters:

- \*What has God done for us to show us His love?
- \*Why does Jesus' sacrifice on the cross show us God's love?
- \*What does it mean to put off your old self?
- \*What are some examples of putting off the old self?
- \*What does the new self look like?

### Family Activity:

Have your children help with the laundry. Talk about how the clothes are dirty when they enter the wash but come out clean, like new. Relate this to what Christ has done for us. Before Christ we were sinful, filthy as rags but when we chose to follow him, we are as new. He takes away our sins and we are as new.
