

What we learned this morning in  
**Kid's Connection**

## The Rainbow of God's Promise

### Main Point:

God always keeps His promises.

### Christ Connection:

God gave Noah (and us) the rainbow as a sign of God's covenants with His people. It reminds us of God's promise that He will never again destroy the earth by flood. God always keeps His covenants perfectly, and the best covenant of all is the one involving Jesus and His death on the cross for our sins.

### Family Discussion Starters:

- \*How does the story of Noah and the ark end?
- \*What did the rainbow mean?
- \*What would have happened if Noah disobeyed and did not build the ark?
- \*What is sin?
- \*What has God done for us to provide a rescue from sin?

### Family Activity:

Buy some sidewalk chalk and create a rainbow on a sidewalk or driveway. Talk about what the rainbow stands for in the bible and what God's promise are for us today.
