

What we learned this morning in

Kid's Connection

God Provides Food & Water for Israel

Main Point:

God provides for the physical needs of His people.

Christ Connection:

God provided manna from heaven for His people's physical hunger, and later He provided His Son, Jesus, for our spiritual hunger. The Israelites needed bread to live for a little while, but whoever has Jesus will live forever.

Family Discussion Starters:

- *What did God tell Moses to do to provide water for the Israelites?
- *What did God do to provide food for the Israelites?
- *Why does God give food and water to the people instead of punishing them for their complaining?

Family Activity:

Make a list of things you need to live, and then make a list of blessings God has provided about your needs. Thank God for His care of your family.
